

Level 3 NVQ Diploma in Wall and Floor Tiling

This qualification is suitable for those that cover surfaces with tiles. Environments can include kitchens, bathrooms, hotels or swimming pools producing attractive work. This role requires patient and precise individuals who are skilled at 'setting out' – working out how many tiles and how much adhesive they'll need for a particular area and use hand-cutters or bench mounted tools.

This career means working indoors or outdoors, in tight spaces or up high and ranges from completing plain, one-colour arrangements to laying coloured tiles in complicated patterns to create mosaics. Typical duties may involve

- Decorating and protecting floors and walls using all kinds of tiles (including ceramic, clay, slate, marble and glass)
- Working on new buildings
- Renovating existing places
- Laying intricate mosaic tiles

Topics covered within the qualification

- Preparing Backgrounds to Receive Wall and/or Floor Tiling
- Tiling Wall and Floor Surfaces
- Conforming to General Health, Safety and Welfare
- Confirming Work Activities and Resources for an Occupational Work Area
- Producing Tiled, Mosaic and Stone Surface Finishes
- Developing and Maintaining Good Occupational Working Relationships
- Confirming the Occupational Method of Work
- Laying Under Tile Electrical Heating Systems and Tiling Surfaces
- Slinging and Hand Signalling the Movement of Suspended Loads
- Providing Drainage for Tiled Surfaces
- Laying Sand and Cement Screeds to Levels and/or
- Producing Internal and External Sand and Cement Backgrounds
